Grafik Trenz Expands Downtown

SUFFOLK, Virginia (April 9, 2013) Grafik Trenz has moved its full-service sign and screen printing shop to 400 W. Washington Street, in downtown Suffolk. To celebrate the move, the public is invited to their Grand-Opening/Ribbon-Cutting ceremony, on April 10th at 10 a.m. Vice Mayor Charles F. Brown will be on hand for the event.

Grafik Trenz creates custom banners, stickers, signs, decals, t-shirts, sports uniforms and more. They also create business cards and corporate letterheads.

They relocated from their former site to better service their clientele.

"We welcome Grafik Trenz to their newly expanded location on West Washington Street," said Mayor Linda T. Johnson. "Downtown Suffolk continues to be an excellent location for our business community; we wish them much success as a new member of the Downtown Business District."

They are open Monday through Friday from 8 a.m. to 5 p.m. For more information, call 757.539.0141 or find them on facebook.
